

To make your cone:

1. Cut out the circle carefully.
2. Cut along the dashed line to the centre of the circle.
3. Fold the straight edge round to Line 1 and fix with a **small** piece of masking tape.
4. To make a tighter cone – fold round to Line 2, 3, 4 and 5, fixing with the tape.
5. DO NOT CUT THE PAPER AGAIN WHEN CHANGING THE “SIZE” OF THE CONE.
